British International School's Story

Thank you MiFanMaMa

The students of The British International School Pudong Campus held a 'rent a teacher' day this was so successful that they decided to donate the money raised to Mifan Mama's. They raised 12,000rmb!! During the summer Mifan Mama's took our donated goods to Anhui Province for everyone to enjoy, this included a basketball hoop, balls, commodes and other items all very useful! We all came into school today to see the photos that had been taken and we are so happy that we raised this money, thank you Mifan mama's for showing us where our donation went.
