

## Mifan Mama's craft group

Mifan Mama's Craft group has been running for some time now. After the great experience of working together on our Boxes of Love project, Julie Garratt thought that setting up a craft group to make goods for sale through Mifan Mama tables at bazaars and coffee mornings and where our supporters kindly sell goods for us, would be a good way of socialising with other Mifan Mama volunteers and their friends and sharing ideas and skills to help raise funds for Mifan Mama.

Our craft group is open to everyone whatever skills they have, or don't have! You never know what you can do until you try and we like to learn something new at every opportunity.

Although we are quite a small group, we all have different skills, our first weeks were spent sharing ideas and making samples and then we started to work. During March – May we have produced over 200 handmade cards for sale, which was launched at the BISS Bazaar at the end of May. We will also make cards to order.

Through working together weekly, and some ladies working at home on projects, we have gathered a wide variety of cards for sale. We also have a small selection of items for the kitchen or barbeque, which will grow over the summer.

Over the coming months we plan to expand the range of items, and so if you have an idea, or a skill you would like to share, we'd love to hear from you! Just send Julie an e-mail at [enquires@mifanmama.com](mailto:enquires@mifanmama.com)
