

May Sponsor on board 2009

The Hilton

28 May 2009 - Sponsor Acquisition

Last week we procured the Hilton as a donator for toiletry items. The Hilton of Shanghai has agreed to donate all used and unused bottles of soap, shampoo and various other toiletry items that would normally be thrown away after a guests' visit. We have received our first delivery and today we emptied all the little bottles into larger pump bottles for the children of the orphanage to use. We are beyond grateful for the Hilton's grand generosity and request that you highly consider booking your vacation stays with the Hilton, both in China and the world. And remember, your stay here in Shanghai will help to provide toiletry items for the orphans of AnHui.
