### Run, MiFan MaMa Run @ Jinqiao 8KM

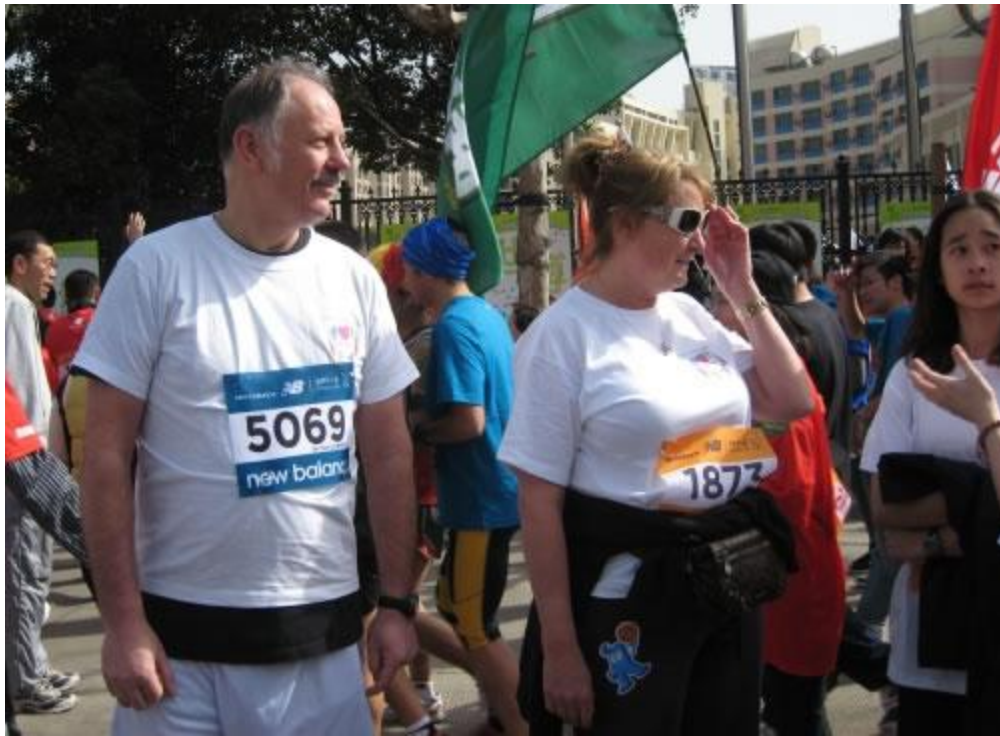

On March 21st, the well noted Jinqiao 8K community race held at Shanghai Pinghe School with the new sponsor of 2010, New Balance. As this year is also the celebrating party for World Expo in Shanghai, the slogan "Running Towards Expo 2010" was embraced. It is also the first MiFan MaMa Run show in 8K.

Three categories were made for this year's 8K, the 2KM Fun Run, the 8KM Run and the corporate relay. Despite of the exciting performance, interactive games, face dress competition and lucky draw, there are also volunteers wearing "MiFan MaMa" T-shirts running to raise the awareness and support to those disabled orphans and children in rural poverty area in China.
