Sherry's visit to see Baby Faith

Several days ago, I went to visit Julie and Faith. This was the first time I had seen Faith, but I've heard about her many times, her unlucky life experience, her sickness and her braveness.

It's difficult to believe the baby before my eyes was the poor "Xiao Xia", grey, slim and weak. The poor "Xiao Xia" had gone, the new "Faith" is beautiful and peaceful, like an angel sleeping in her crib.

I believe it's the faith that all the impossibility turned into possibility.

It's the faith that Lao Wang and MiFan MaMa didn't give her up and kept taking good care of her.

It's the faith that the cardiologists would like to perform the risky operation.

It's the faith that everyone concerned was willing to donate and help.

It's the faith that Faith herself held the strong will and finally stay alive.

It's the faith that people all over the world, all over the fields assembled to be involved in MiFan MaMa and help these orphans.

Faith with all the faith, you'll be better and better. Your heart will beat strongly, your eyes will be able to appreciate the beauty of the world.

God blesses you!
